

Content Platform Learning Path

HCP Cloud Scale Administrator

Extending Hitachi Object Storage for Limitless Scale

The Hitachi Content Platform for Cloud Scale learning path will help you acquire the skills you need to configure and manage the software-defined, massively scalable Hitachi Content Platform for Cloud Scale.

Learning Paths are suggested courses to reach a goal. Individual paths may vary according to experience and requirements.

Getting Started with Hitachi Vantara Object Storage

TXP6759 | 34 Minutes

This free online course provides an overview of Hitachi Vantara Digital Infrastructure Solutions enabled by the Hitachi Content Platform (HCP) and the supporting portfolio of solutions.

Getting Started with Hitachi Content Product Portfolio

TXP6830 | 40 Minutes

Get a high-level overview to Hitachi Content Product Portfolio. You will learn about HCP and Hitachi Content Intelligence (HCI). Hitachi Content Product Portfolio.

Getting Started with HCP for Cloud Scale

TXC6791 | 45 Minutes

Learn about HCP for Cloud Scale (CS) starting with a history of object storage technology and new demands facing object storage products. The course also discusses the reasons and advantages for designing HCP for CS, HCP-CS technology, security customization, and the commitment to innovation.

Managing Hitachi Content Platform for Cloud Scale

TXI6795 | 3 Day

This intermediate course is intended for system administrators who manage

or support object storage systems and developers of cloud applications. Learn about HCP for Cloud Scale, a software which defines an object storage solution and a S3 compatible storage component while employing a distributed micro service architecture. Besides learning about the theory of this software, you will practice lab activities designed to build the skills needed to configure and manage key features. Labs also provide the opportunity to learn practically how applications can make use of these functionalities through S3 compatible storage component.

*Completion of this course will earn you a **Hitachi Content Platform for Cloud Scale Management** digital badge.*
