Hitachi Vantara Training Solutions
Self-Paced Learning Library Subscription

DATASHEET

Training for Hitachi Vantara solutions is now at your fingertips, when and where you need it

Hitachi Self-Paced Learning Library is a subscription-based learning platform that gives you the flexibility of accessing Hitachi Vantara Global Learning training for the Hitachi Vantara solutions you need.

SUBSCRIPTIONS INCLUDE:

- Instructors via 1:1 office hours
- Online libraries of training videos
- Guided demonstrations
- Quizzes to test your knowledge
- Full access to Hitachi Virtual Labs

Set up in a modular approach, the libraries allow you to take an entire course or just a portion, depending on your available time and needs. They are accessible via desktop, mobile device, or tablet, when you need them, and where you need them.
