Hitachi Vantara offers multiple levels of support services. Premium support ensures high availability for your business-critical environments.

Premium Support From Hitachi Vantara

On-Site, 24/7 Support Keeps Your Environment Running

Premium support from Hitachi Vantara provides unmatched protection for business-critical environments with around-the-clock support and 24/7 on-site coverage when incidents call for an immediate response.

Premium support customers receive premier access to Hitachi Vantara Global Support and levels of customer care that exceed base warranty and maintenance entitlements. Priority support and on-site microcode updates make this offering the preferred choice for most midrange and enterprise platforms.

With an industry-best two-hour target response time for critical situations, Premium support is ideal for environments where interruptions could immediately and adversely affect business, work or cash flow. See Table 1.

Fit Your Ever-Changing Needs

Premium support gives you:
- Preferential treatment and priority handling within Global Support.
- Accelerated response times, including 24/7 rush delivery on replacement parts and two-hour target response times during "severity 1" level issues.
- Preventive maintenance and software updates outside of normal business hours.
