Hitachi Training Card

Get the learning you need in a virtual or in-person classroom setting

Individuals can stay ahead of the curve with simplified, cost saving, educational planning with the freedom to select the courses that best fit your needs and schedule.

What's included[1]:

- A single individual may attend an unlimited number of Hitachi Vantara instructor-led training (ILT) and virtual instructor-led training (vILT) training courses on the public schedule.

- Role-based learning paths to guide you to "what's next".

- Multiple courses prepare learners for Hitachi Vantara certifications which validates your skills, knowledge and technical competencies.

- Digital badges give you the ability to communicate your credentials to management and peers with concrete evidence of what you had to do to earn your badge, and when.

Add On-Demand Learning Library[2]

Our On-Demand Learning Library is a subscription-based learning platform that gives you the flexibility of accessing training for the Hitachi Vantara solutions you need, on-demand whenever and wherever you want to learn. In addition, you receive the benefits of our hands-on Hitachi Virtual Training Labs. Our labs allow you to apply the knowledge you learned in training to your data center, enabling you to try out and troubleshoot before you commit to your live environment.

This option is available to individuals for an additional cost.

Does your company need to train a large number of individuals? Our Hitachi Corporate Training Card might be the best fit. Ask your Education Consultant for additional details.
