Hitachi Vantara Training Solutions

On-Demand Learning Library Plus

Stream unlimited learning content and practice what you learn with hands-on labs.

The On-Demand Learning Library Plus includes all the benefits of the On-Demand Learning Library with the additional benefits of our hands-on Hitachi Virtual Training Labs. Our labs allow you to apply the knowledge you learned in training to your data center, enabling you to try out and troubleshoot before you commit to your live environment.

Subscription Includes:

- Access to hundreds of streaming, on-demand learning assets
- Role-based learning paths to guide you to “what’s next”
- Unlimited access to Hitachi Virtual Training Labs
- Lab guides, sandbox and instructor support
- Additional learning opportunities including instructor-led classes, webinars, access to experts, certifications, and more!

Set up in a modular approach, the library allows you to take an entire course or just a portion, depending on your available time and needs. Content is accessible via desktop, mobile device, or tablet.

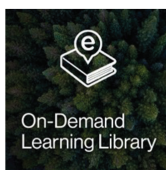

Sample Labs

- Hitachi Ops Center Automator
- Hitachi Ops Center Administrator
- Hitachi Ops Center Protector
- Hitachi Content Platform
- HCP Cloud Scale
- Hitachi Content Intelligence
