Hitachi Vantara Training Solutions
On-Demand Learning Library

Training for Hitachi Vantara solutions is now at your fingertips, when and where you need it.

Our On-Demand Learning Library is a subscription-based learning platform that gives you the flexibility of accessing Hitachi Vantara Global Learning training for the Hitachi Vantara solutions you need, on-demand whenever and wherever you want to learn.

Subscription Includes:

- Access to hundreds of streaming, on-demand learning assets
- Role-based learning paths to guide you to "what's next"
- Additional learning opportunities including instructor-led classes, webinars, access to experts, certifications, and more!

Set up in a modular approach, the library allows you to take an entire course or just a portion, depending on your available time and needs. Content is accessible via desktop, mobile device, or tablet.
