

TRANSFORM TODAY THRIVE TOMORROW UNLOCK THE POWER OF DATA

GAIN A COMPETITIVE EDGE WITH A MODERN DATA STRATEGY

Insurgent startups are disrupting industries everywhere. But established enterprises have a crucial advantage for retaining and growing market share: rich reserves of business information gathered over many years.

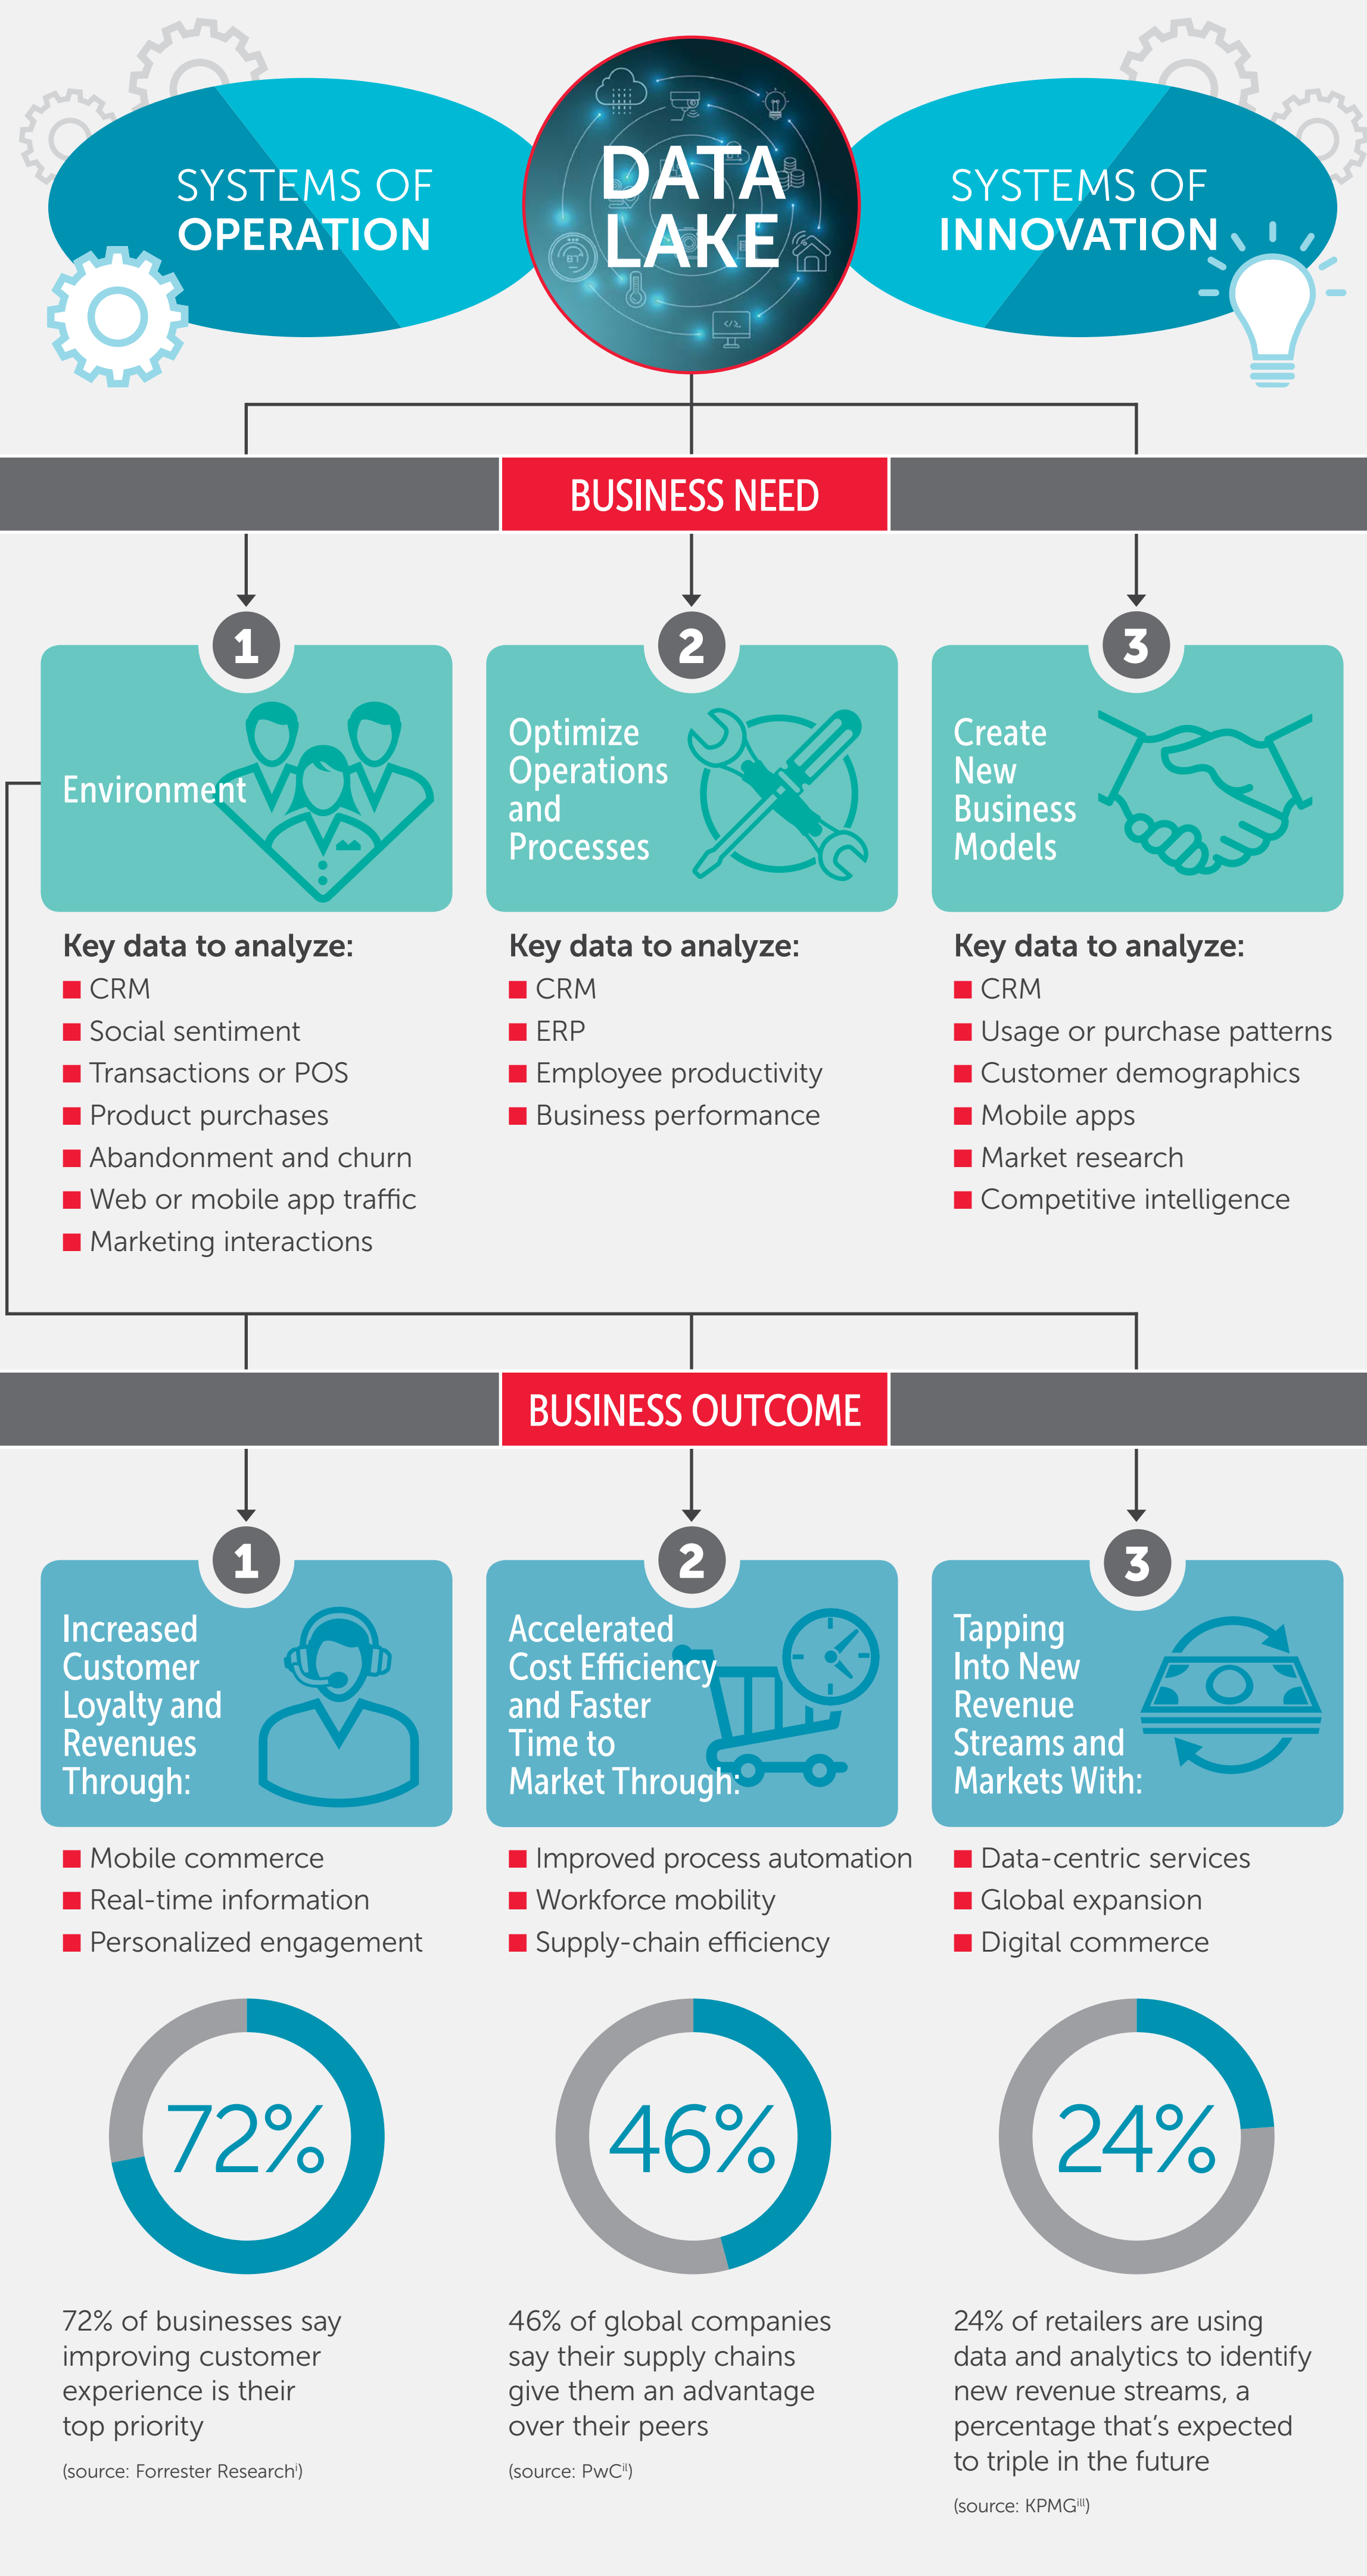

THE KEY is to unlock the full potential of this resource to fuel business transformation.

To do that, many enterprises are capitalizing on data lakes, which help business users capture real-time insights from unstructured data available in social-media interactions, videos, and the Internet of Things.

By blending **data lakes, warehouses, marts, production databases,** and **external data sources,** enterprises gain deeper insights into markets, customers, and internal operations.

MODERN, AGILE I.T. ENVIRONMENT
