

# SFS Group Accelerates Digitization

With High Performance Private Cloud

SEE BELOW TO FIND OUT HOW

## About SFS

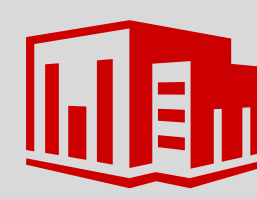

Fastening systems are literally what holds our world together. From buildings to trains, aircraft, smart phones, and cars, almost everything we build today relies on components, systems and tools from SFS Group.

**Global** manufacturing plants

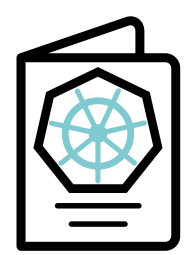

**10,000** employees

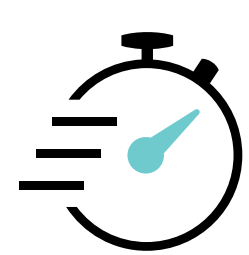

**100** locations in 26 countries

## The Challenge

**Support** major digitization and transformation program

**Ensure** fast performance for demanding applications

**Improve** cost-efficiency

Hitachi Vantara has proven to be an excellent partner throughout our relationship – providing reliable, easy-to-manage solutions with great performance and outstanding support.

– Urs Lüchinger  
Head of IT Infrastructure Backend, SFS Group

## The Solution

Private Cloud, Infrastructure for Virtualization, Infrastructure for SAP HANA, Converged, Hyperconverged and Data Protection

## The Outcome

**Reduced** TCO by 20%

**Support** digitization program

**Increased** flexibility to provide IT services

**Boosted** IT team productivity

**Cuts** time spent on admin tasks

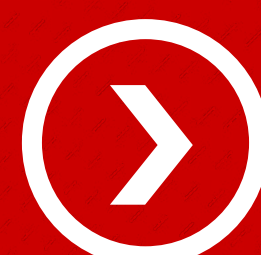

**Supports** mission-critical applications

**Rapid** backups and disaster recovery
