

DIRECT PURCHASING AGREEMENT

Agreement No.: _____

Effective Date: _____

This Direct Purchasing Agreement (“DPA”) governs the Supply Transactions between Hitachi and You and commences on the Effective Date set out above.

TERMS AND CONDITIONS:

1. PURCHASING FROM HITACHI

1.1 Scope of Agreement

(a) This DPA comprises the terms and conditions set out in this document and, to the full extent applicable, to the Supply Transactions made under this DPA: (i) the Exhibits attached to this document; and (iii) the Online Terms, which are defined herein and incorporated into the DPA by reference.

(b) If Hitachi agrees to supply You any offering beyond the scope of the Exhibits that apply to You under this DPA, Hitachi reserves the right to require the Parties to execute further terms for that supply, in the form of a further Exhibit to this DPA, a Change Order or a separate agreement. Hitachi does not grant You any Reselling rights for any Hitachi Supplies that You purchase under this DPA.

1.2 Supply Transactions

(a) Each purchase that You make from Hitachi under this DPA will be deemed a “Supply Transaction” and the items that You purchase or license from Hitachi pursuant to a Supply Transaction will be “Hitachi Supplies”. You agree to be bound by the applicable Exhibits to this DPA, in addition to these DPA terms and the Online Terms. All Supply Transactions under this DPA will be in Australian Dollars unless the Parties otherwise agree.

(b) At Your request, Hitachi will send You a Quote and/or SOW (as applicable) for a Supply Transaction. When You send an Order to Hitachi in accordance with Section 1.3, whether in response to a Quote or otherwise, Hitachi may accept it by commencing Delivery of the Hitachi Supplies. Except where an Exhibit expressly states otherwise, each Quote (if any), the Order and this DPA, including all relevant Exhibits and the Online Terms, form a separate agreement between the Parties for the Supply Transaction.

1.3 Ordering from Hitachi

For Your Order to be accepted by Hitachi as valid, it must refer to this DPA. Terms and conditions in, or on the back of Your Order, or any other documents that You give to Hitachi will not form part of the agreement. Any changes that You make to an Order are subject to Hitachi’s acceptance in writing in a Change Order and, if Hitachi requires, Your payment of an additional processing fee to Hitachi.

2. FINANCIAL TERMS

2.1 Fees and Payment

(a) You must pay the Fees to Hitachi within thirty (30) days from the date of Hitachi’s invoice, without any deduction by way of set-off, counterclaim, discount or otherwise.

(b) Without limiting any other rights available to Hitachi under this DPA or under applicable law, if You fail to pay Hitachi’s invoice as required: (i) Hitachi may charge You Interest on the overdue Fees, with effect from the invoice date and in accordance with applicable law; and (ii) without limiting the previous sub-Section, where Your payments for any Services are overdue, Hitachi may suspend the delivery of the Services. Provided that You are not otherwise in breach of this DPA, Hitachi will reinstate any suspended Services following Your payment in full of all outstanding amounts to Hitachi.

(c) If You dispute Hitachi’s invoice in good faith, You must pay the full amount of the invoice by the due date and immediately provide Hitachi with written notice of the dispute for the disputed portion. The Parties will use commercially reasonable efforts to resolve the dispute pursuant to Section 9.2 of this DPA. If the dispute is not resolved within the thirty (30) day period set out in Section 9.2, Hitachi may, without prejudice to any other rights available to Hitachi under the DPA or applicable law, seek any of the remedies in Section 2.1(b). If You can show, on good grounds, that Hitachi has overcharged You in its invoice, Hitachi will refund You the amounts that been proven to be overcharged, if applicable.

(d) Hitachi is not responsible for any Processing Fees or other terms associated with Your payments under this DPA unless Hitachi has agreed in writing, in advance. Without such agreement, Hitachi will pass through all Processing Fees invoices to You for Your payment.

2.2 Taxes

(a) All pricing and Fees contemplated under this DPA will exclude any applicable Taxes. Any Taxes arising under this DPA will be the sole responsibility of the Party owing such Tax, which liability will be determined by the specific law governing such Tax assessment.

(b) For any Supply Transaction arising under this DPA, to the extent that the governing law of any taxing authority imposes a withholding or collection obligation on the paying party for any Tax properly associated with the amounts due under this DPA, the paying Party will exercise due professional care to determine if there is tax relief under local law and/or a mutual tax treaty agreement between paying Party and the invoicing Party countries. If, after all options are exhausted and tax withholding applies, then the paying Party may deduct the withholding tax from amounts due under this DPA. The paying Party will remit to the proper authorities the additional Taxes as required by applicable law and will provide to the other Party within a commercially reasonable period, appropriate written evidence supporting the nature and amount of the Tax involved.

(c) If a resale certificate, treaty benefits exemption certificate or other exemption document is required to reduce or eliminate any Taxes arising with respect to a Supply Transaction, the paying Party will be solely responsible for providing to the invoicing Party such documentation and the invoicing party will use all commercially reasonable efforts to fully co-operate to establish the validity of the documentation. If it is determined that any Tax withheld or paid relative to the DPA was not required to be paid and that a refund of such Taxes is appropriate, both Parties agree to provide all commercially reasonable co-operation and assistance for the timely collection of such refund.

2.3 GST

Without limiting the operation of Section 2.2, invoiced amounts payable under this DPA are expressed exclusive of GST. If GST is payable as a result of any supply made (or deemed to be made) by one Party to the other in connection with this DPA, the Party receiving the supply must pay to the party making the supply an amount equal to the GST payable in respect of the supply ("**GST Amount**"), in addition to the invoiced amounts or other consideration (if any) required to be paid under any other provision of this DPA.

(a) Reimbursement

Notwithstanding any other provision of this DPA, if either Party is required to reimburse or indemnify the other Party for any costs, expenses or other amounts, the amount to be reimbursed or indemnified must be reduced by any part that is recoverable as an input tax credit by the Party which incurred it (or representative member of that Party's GST group).

(b) Tax invoices

Each Party must ensure that each invoice it presents to the other Party under this DPA in respect of any GST Amount is a valid tax invoice. A Party to whom a GST Amount is owed must include that GST Amount on the same invoice as the consideration for the supply to which it relates. The Party receiving that invoice must pay the GST Amount no later than the date on which the rest of the invoice is due to be paid.

(c) Adjustments

If at any time an adjustment is to be made with the relevant taxing authority in respect of an amount paid on account of GST as a result of any supply made (or deemed to be made) by a Party in connection with this DPA: (i) a corresponding adjustment must be made between the Parties; (ii) the Party entitled or required to make the adjustment must deliver an adjustment note to the other Party within 28 days of becoming aware of the entitlement or requirement to make an adjustment; and (iii) any payment required to give effect to the adjustment must be made within 30 days of the adjustment note being delivered to the recipient Party.

(d) Installments or no monetary consideration

If a Party making a supply is not entitled to invoice the other Party for all or part of the monetary consideration in respect of that supply until after the liability to pay GST in respect of the supply arises (or if no monetary consideration is due in respect of that supply), the Party making the supply may present its invoice for the GST Amount in respect of the supply at any time, provided it is no earlier than 40 days before the liability to pay the GST arises; and the Party receiving the invoice must pay the GST Amount no later than 30 days after it receives the invoice.

(e) Terms Used

Terms defined in the GST Act have the same meaning when used in this Section, including "supply", "consideration", "representative member", "tax invoice", "adjustment note", "supply", "taxable supply" and "GST group".

3. INTELLECTUAL PROPERTY

3.1 Ownership and Licenses

(a) Hitachi or its licensors own all IP Rights in the Hitachi IP. You and Your End Users have no right, title or interest in the Hitachi IP, other than the license rights in Software, Work Product or any other Hitachi IP, as expressly granted by Hitachi under this DPA, including the Online Terms. All rights not expressly granted in the Hitachi IP are reserved by Hitachi or its licensors.

(b) Without limiting Your obligations in this DPA and except where permitted by applicable law, You must not take any action nor permit any third party to take or allow any action that will, or is likely to,

jeopardize Hitachi's or its licensors' rights in the Hitachi IP, including to: (i) copy, modify, disassemble, decompile or otherwise reverse engineer any Hitachi IP; (ii) sub-license any Hitachi IP without Hitachi's prior written approval; (iii) register or seek to register anywhere in the world any IP Rights that are confusingly similar to or otherwise comprise or include any variation to the Hitachi IP, or to use or allow the use of any Hitachi IP for that purpose; (iv) delete or tamper with any proprietary notices on or in the Hitachi IP; (v) do anything that diminishes the value of any Hitachi Trademarks; (vi) use the Hitachi IP in any manner which creates the impression that the Hitachi IP belongs to, or is identified with You; or (vii) use the Hitachi IP in violation of applicable law.

3.2 Intellectual Property Claims

Subject to Section 3.3 of this DPA, if a third party makes an IP Claim against You, You will be entitled to the following recourse, (which comprises, to the extent permitted by applicable law, Your sole and exclusive remedy against Hitachi, and Hitachi's sole and exclusive liability to You and Your Personnel for all Losses associated with the IP Claim):

(a) Hitachi will at its option and cost, defend or settle the IP Claim and pay to You the amount of Losses finally awarded against You or settled by You (with Hitachi's written approval), provided that You: (i) promptly notify Hitachi of the IP Claim; (ii) allow Hitachi to solely control and manage the defense and settlement of the IP Claim; (iii) provide timely assistance and co-operation as required by Hitachi, at Hitachi's cost; and (iv) You are not in breach of this DPA; and

(b) Hitachi will, at its option and cost, do any of the following in relation to an Infringing Item: (i) secure the rights for You to continue to use the Infringing Item without infringement; (ii) modify the Infringing Item so that it is not infringing; or (iii) replace it with something that has substantially similar functionality to the Infringing Item. If Hitachi considers that none of these options are reasonably possible, Hitachi will provide You with a Refund for the Infringing Item, provided You immediately cease to use it and, at Hitachi's request, promptly return it to Hitachi.

3.3 Exceptions

Hitachi will not be liable to provide any of the remedies in Section 3.2 for IP Claims related to: (a) any Third Party Products (other than those that Hitachi expressly agrees to cover in writing and in such case, Hitachi's liability is strictly limited to the extent set out in Section 5 of Exhibits A and B); (b) any Third Party Related OSS; (c) any technology or other material used in conjunction with the Hitachi Supplies, which You own or have sourced independently from a third party; or (d) an Infringing Item that You have, or any person on Your behalf has: (i) modified or combined with any product not authorized or approved by Hitachi in writing, or in a manner which is not authorized or approved by Hitachi in writing; (ii) used outside of Hitachi's stated standard operating environment for that item or for a purpose not authorized or approved by Hitachi in writing; or (iii) failed to use another version of the Infringing Item that was made available to You and which, if used, would have avoided the infringement.

4. CONFIDENTIAL INFORMATION

4.1 Obligations

(a) Each Party will: (i) maintain the confidentiality of the other Party's Confidential Information that is disclosed to it, by using the same degree of care that it uses to protect its own Confidential Information, and in any event, a reasonable degree of care; (ii) only use that Confidential Information for purposes related to this DPA; and (iii) not disclose the other Party's Confidential Information to a third party without the other Party's prior written consent or as allowed by the DPA.

(b) Each Party may disclose the other Party's Confidential Information to its Personnel and/or Affiliates who need to know the information in order to perform that Party's obligations under this DPA, provided that Party takes all reasonable steps to ensure compliance with its confidentiality obligations including, where necessary, to execute a written confidentiality agreement containing terms that are no less restrictive than those in this Section 4. The receiving Party will be fully responsible for any confidentiality breach caused by its Personnel or its Affiliates.

(c) If a Party has a Legal Requirement to disclose Confidential Information of the other Party, that Party will, if permitted by applicable law, provide the other Party with prompt prior written notice of this, so that the other Party may seek a protective order or other limitation on disclosure. If a Legal Requirement to disclose any Confidential Information nonetheless remains on the Party, it may disclose that portion of the Confidential Information that it is legally required to, without violation of this DPA, but it will exercise commercially reasonable efforts to minimize the disclosure, such as by redaction and to obtain assurances that such Confidential Information will be treated confidentially.

4.2 Return or Destruction

(a) Except to the extent otherwise allowed in this DPA and subject to Section 4.2(b), each Party will: (i) securely and promptly destroy the other Party's Confidential Information that is in its possession or control, together with all copies that have been made, upon the termination of this DPA or otherwise, at the other Party's request and (ii) promptly provide the other Party with written certification when this is done. Notwithstanding the foregoing, You may retain a copy of Hitachi IP as necessary to exercise any license rights granted to You pursuant to this DPA. This Section 4 will survive the termination of this DPA, with respect to the retained copy of Hitachi IP.

(b) Where it is not technically possible or practicable for a receiving Party to access and destroy Confidential Information stored in an automatic electronic archiving system, the receiving Party will cease to use that Confidential Information and ensure that it is kept secure for the period of retention, until it is eventually overwritten.

4.3 Equitable Relief

Each Party agrees and acknowledges that a breach of this Section 4 will cause the disclosing Party irreparable damage for which remedies other than injunctive relief will be inadequate, and agrees that the disclosing Party may request injunctive or other equitable relief seeking to restrain such use or disclosure, without limitation or waiver of any other remedy available at law or in equity.

5. PERSONAL DATA

5.1 Your Obligations

(a) You are and will always remain the Data Controller for any Personal Data that You provide to Hitachi and You will comply with all corresponding obligations under applicable data protection laws and regulations.

(b) You are responsible for any unauthorized access, acquisition, use, disclosure, modification or destruction to Personal Data caused by Your acts or omissions and those of Your Affiliates, End Users and your respective Personnel in Your receipt and use of the Hitachi Supplies. You will only use or provide Hitachi with Personal Data that You have the legal right to collect, process, use, and transfer, and only to the extent that is necessary or required under any Supply Transaction made under this DPA. You will not disclose any Personal Data about Hitachi Personnel to third parties apart from Your Personnel.

(c) Without limiting the operation of Section 5.1(a) of this DPA with regard to any Personal Data that You receive from Hitachi, You represent and warrant to Hitachi that: (i) You will not disclose any

Personal Data of Hitachi, its Affiliates or their respective Personnel without Hitachi's prior written consent; (ii) You will enter a written contract with the recipient or sub-processor of the Personal Data on terms that are no less restrictive than in this Section 5 and You will remain fully responsible for their performance; (iii) the processing of Personal Data will not cause Hitachi or its Affiliates or their respective Personnel to breach any applicable laws; (iv) You will maintain adequate technical, physical and administrative security measures and safeguards to routinely back-up and ensure the integrity and security of Personal Data and will require the same from all of your downstream parties; and (v) You will strictly comply with the express instructions that Hitachi provides to You and You will only process the Personal Data for the purposes of this DPA.

5.2 Hitachi's Obligations

To the extent that that Hitachi processes Personal Data as part of a Supply Transaction under this DPA, Hitachi will not disclose such Personal Data without Your prior written consent or as otherwise permitted by applicable law. Hitachi will comply with applicable data protection laws for that Personal Data. Hitachi may disclose Your Personal Data to its Personnel who need to know the information to perform Hitachi's obligations under the DPA; and/or to its Affiliates, subcontractors, vendors, and agents who help Hitachi perform those obligations and who are contractually required to protect Your Personal Data or as required by applicable law.

5.3 Security Breaches

(a) Without limiting any of its other obligations in the DPA or under applicable law, each Party will promptly report any Security Breach to the other Party by providing: (i) oral notice as soon as reasonably practicable and no later than forty-eight (48) hours after discovery; and (ii) a follow-up, written report as soon as reasonably practicable and no later than ten (10) days after discovery. The written report will include, to the extent the information is currently available, identification of affected individuals and any other information that is legally required for a notice of Security Breach under applicable law. The report will be promptly updated by the reporting Party, as new material information is discovered, and the updated report will be promptly provided to the other Party.

(b) Each Party will cooperate in any Security Breach investigation that the other Party conducts or is involved in and will take reasonable measures to mitigate any harmful effects of any Security Breach, of which it becomes aware.

(c) The Parties agree and acknowledge that the Data Controller will determine, in its sole discretion, which Party will provide notice to affected individuals of a Security Breach and the content, timing and method of delivery of the notice.

6. LIMITATIONS OF LIABILITY

6.1 Uncapped Liability

Each Party acknowledges the full extent of its own liability to the other Party for all Losses arising from the following areas of liability: (a) death or personal injury resulting from negligent acts or omissions; (b) Claims for non-payment; (c) the non-excludable statutory rights of consumers (for example, under laws providing for strict product liability); (d) any infringement of Hitachi IP, including any Software license breaches; (e) breaches of confidentiality obligations (but this Section 6.1 does not apply to a Party's liability for breach of Section 5.3 of this DPA nor for any Security Breach, whether under this DPA or under applicable law); (f) fraud or deceit; (g) any indemnity obligations of a Party under this DPA.

6.2 Limits and Exclusions of Liability

(a) Subject to the other parts of this Section 6, the Online Terms and to the extent permitted by applicable law:

(i) unless an Exhibit expressly states otherwise, each Party's maximum and aggregate liability arising out of or in connection with a Supply Transaction under this DPA will not exceed the lesser of: (A) the total Fees that You have paid to Hitachi under the Supply Transaction out of which the liability arose during the twelve (12) month period immediately before the date of the first event that gave rise to the Claim; and (B) Two Million Australian Dollars (\$AUD2,000,000); and

(ii) each Party's maximum and aggregate liability arising out of or in connection with the DPA in general (not related to any specific Supply Transaction) will not exceed the greater of: (A) the total Fees You have paid to Hitachi under all Supply Transactions made under the DPA during the twelve (12) month period immediately before the date of the first event that gave rise to the Claim; and (B) Five Hundred Thousand Australian Dollars (\$AU500,000); and

(iii) neither Party will be liable in any circumstances for: (i) any indirect, punitive, special, incidental or consequential damages in connection with or arising out of the DPA; or (ii) whether direct or indirect, for loss of actual or anticipated business, revenue, profits, savings, goodwill, anticipated savings, loss of use, lost or corrupted data, electronically transmitted Orders, or loss of other economic advantage.

(b) The limitations and exclusions of liability in Sections 6.2(a) above, apply whether such liabilities or Claims arise under breach of contract (including anticipatory breach or repudiation), tort (including negligence), statutory duty or otherwise (including in equity or common law) and even if the liable Party has previously been advised of the possibility of such damages. Liability for damages will be limited and excluded, even if an exclusive remedy provided for in this DPA fails of its essential purpose.

(c) The liability caps set out in Section 6.2(a) above may be subject to and do not restrict the Parties from expressly agreeing to additional or alternative caps of liability under a PA, Order or SOW (as applicable).

6.3 Excluded Performance

Except for payment obligations, neither Party will be responsible for its failure to meet any of its obligations due to events beyond its reasonable control, provided reasonable efforts have been made to perform those obligations. Without limiting the previous sentence, Hitachi will not be liable for any Failure, to the extent that the Failure is caused by Your act or omission or those of Your Personnel, End Users or any other person acting on Your behalf. You will take all measures available to mitigate and minimize the Losses arising from any Failure, irrespective of the nature and extent of Your contribution and You will ensure that Your Personnel do the same.

6.4 Warranty Exclusion

EXCEPT AS SPECIFIED IN THE DPA, INCLUDING THE EXHIBITS AND THE ONLINE TERMS, ALL EXPRESS OR IMPLIED CONDITIONS, REPRESENTATIONS AND WARRANTIES, INCLUDING ANY IMPLIED WARRANTIES OR CONDITION OF MERCHANTABILITY, INTEROPERABILITY, SATISFACTORY QUALITY, OR FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT, ARE EXCLUDED TO THE MAXIMUM EXTENT PERMITTED BY LAW. HITACHI DOES NOT WARRANT THAT ANY OF THE HITACHI SUPPLIES WILL OPERATE UNINTERRUPTED, SECURELY OR ERROR FREE AND WILL NOT BE LIABLE FOR COSTS OF PROCUREMENT OF SUBSTITUTE ITEMS.

6.5 Implied Terms

Where legislation, including the Australian *Competition and Consumer Act 2010* (Cth) implies warranties or conditions or imposes obligations which cannot be excluded, restricted or modified except to a limited extent, this DPA must be read subject to those provisions. If those provisions apply, notwithstanding any other term of this DPA, and to

the extent Hitachi is entitled to do so, Hitachi limits its liability in respect those provisions to: (i) in the case of goods, at Hitachi's option: (a) the replacement of the goods or the supply of equivalent goods (or payment of equivalent cost); or (b) the repair of the goods (or payment of equivalent cost); and (ii) in the case of services, at Hitachi's option the supply of the services again or payment of equivalent cost.

7. TERM AND TERMINATION

7.1 Termination of the DPA

(a) The DPA will start on the Effective Date and will continue until it is terminated by a Party giving written notice of termination to the other Party, where the other Party: (i) breaches the confidentiality, intellectual property, export compliance or anti-bribery sections of the DPA; (ii) commits a material breach of any other terms of the DPA that is not capable of remedy or, where capable of remedy, fails to remedy the breach within thirty (30) days of written notice to do so; or (iii) becomes or takes steps to become Insolvent.

(b) Each Supply Transaction will start on the effective date stated in the applicable Order and is subject to termination by a Party on the same grounds of termination that are available to that Party under Section 7.1(a). Hitachi reserves the right to cancel any Order(s) that have not yet been delivered on the date of termination of the DPA, other than where the termination is due to a material breach of Hitachi under Section 7.1(a)(ii).

(c) The termination of the DPA automatically results in the termination of all outstanding Supply Transactions at such time, other than where the termination is due to a material breach of Hitachi under Section 7.1(a)(ii) or where the Parties agree otherwise in writing.

(d) The termination of a Supply Transaction will not lead to the termination of other outstanding Supply Transactions at such time, except where the Parties otherwise agree in writing.

7.2 Consequences of Termination

(a) If the DPA or any Supply Transaction made under it is terminated, to the full extent applicable: (i) Your rights, licenses and privileges under it will end; (ii) You must comply with any directions issued by Hitachi requiring You to either remove and return to Hitachi or destroy (at Hitachi's election) all Hitachi IP and Confidential Information of Hitachi in Your possession or control, at Your cost); and (iii) You will not be relieved from Your payment obligations and any money due to Hitachi will become immediately payable.

(b) Rights and obligations under the DPA, which by their nature should survive the termination or expiration, will remain in effect after termination. Neither Party is deemed to have waived any of its existing rights as a result of termination. Any termination will be without prejudice to any other rights or remedies a Party may be entitled to under this DPA or at law (or which have arisen on or before the date of termination).

8. AFFILIATE TRANSACTIONS

(a) A Party's Affiliate may participate in this DPA by executing a PA with the other Party or that Party's Affiliate and enter Supply Transactions under that PA. Each PA: (i) is a separate agreement between the parties that execute it; (ii) applies to the territory stated in the PA, if applicable; and (iii) incorporates the terms of this DPA, except to the extent that changes are required under applicable local law or agreed by the parties to the PA to reflect local conditions.

(b) If the PA does not expressly state a governing law that is to apply to the PA, then the PA will be governed by the local law of the place where the Hitachi entity under the PA is incorporated. When construing a PA, references in this DPA to "Hitachi" and "You" will respectively refer to the parties to the PA.

(c) All Supply Transactions made under the PA and the performance of all related obligations will be the responsibility of the executing parties. The Parties will use reasonable commercial endeavors to

encourage their respective Affiliates to comply with the PA that those Affiliates have entered and to fully perform their respective obligations under that PA. However, the Parties are not liable for the acts, omissions or obligations of their Affiliates and do not guarantee any performance by their Affiliates.

9. GENERAL

9.1 Ethics and Business Conduct

(a) Hitachi is required by U.S. export control laws and regulations to restrict access to or seek prior U.S. government approval for the release of restricted technology, source code and downloadable software to citizens or nationals of certain countries. Pursuant to the Export Administration Regulations, the release within the United States of controlled technology, source code and downloadable software to You under this DPA is "deemed" to be an export to the country of citizenship or nationality of Your Personnel.

(b) You acknowledge that in various countries, laws and regulations regulate the export of products, services and information which may prohibit use, sale or re-export of such products, services or information. You will not transmit, export or re-export, directly or indirectly, separately or as part of any system, any Hitachi Supplies or technical data (including processes and services) received from Hitachi, without first obtaining any license required by the applicable government, including without limitation, the United States government acting under the authority of the Export Administration Act and implementing Export Administration Regulations, and/or any other applicable competent authority.

(c) By accepting the Hitachi Supplies from Hitachi, You agree that none of them will be re-exported, sold or otherwise transferred to any US-embargoed destination or any entity subject to a US denial order or to any person, company or entity if You know or have reason to believe that they will be re-exported, sold or transferred in violation of US or other applicable law or regulations, including but not limited to, where You know or have reason to know that such Hitachi Supplies or associated information are for use in connection with internal or political repression, the design, development, production, stock piling or use of nuclear, chemical or biological weapons or missiles or for the violation of any other human right, or if You know or have reason to know that governments (especially police forces, military, intelligence and security services) or telecom providers and/or data storage providers may be required to co-operate in human rights violations using the Hitachi Supplies. You certify that none of the Hitachi Supplies will be re-exported, sold or otherwise transferred to, or made available for any entity or end use that is engaged in the design, development, production, stockpiling or use of nuclear, biological or chemical weapons or missile technology, or for any entity with specific end use that is engaged in conventional weapons or any other military activities. You will indemnify, defend and hold harmless Hitachi and its Affiliates and their respective Personnel for all Losses arising directly or indirectly from any violation(s) or alleged violation(s) of any such applicable laws, regulations and requirements by Your or Your Personnel.

(d) Each Party will comply with all applicable laws and regulations, including those relating to anti-corruption and bribery, including the U.S. Foreign Corrupt Practices Act, and not engage in any activity, practice or conduct that would constitute an offence under such laws and regulations.

9.2 Dispute Resolution

(a) If there is dispute between the Parties related to this DPA, the Parties will appoint an appropriate representative from their respective management to resolve the dispute in good faith. If those persons cannot resolve the dispute within thirty (30) days from the date of first meeting, the Parties may resort to alternate dispute

DPA_V10_JUNE2020_AUSTRALIA

resolution such as arbitration (if both Parties agree) or a Party may seek recourse from the courts with jurisdiction over this DPA, without further notice to the other Party. Either Party may seek injunctive or other urgent equitable relief from a court of competent jurisdiction at any time.

(b) IF RECOURSE IS SOUGHT FROM THE COURTS, THEN TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE PARTIES KNOWINGLY AND WILLINGLY EACH WAIVE THEIR RESPECTIVE RIGHTS TO A TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF OR RELATED TO THIS DPA OR THE TRANSACTIONS CONTEMPLATED HEREBY, IN ANY ACTION, PROCEEDING OR OTHER LITIGATION OF ANY TYPE, WHETHER WITH RESPECT TO CONTRACT CLAIMS, TORT CLAIMS, OR OTHERWISE, INCLUDING ANY ACTION, COUNTERCLAIM OR OTHER PROCEEDING WHICH SEEKS, IN WHOLE OR IN PART, TO CHALLENGE THE VALIDITY OR ENFORCEABILITY OF THIS DPA OR ANY PROVISION HEREOF. THIS WAIVER WILL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS DPA.

9.3 Hitachi Property

(a) If Hitachi provides You with any Hitachi Property as part of a Supply Transaction, You are responsible for loss of or damage to the Hitachi Property, once delivered to Your custody or control, except for loss or damage arising due to Hitachi's acts or omissions, or normal wear and tear during proper use, storage and maintenance. Hitachi retains title to the Hitachi Property.

(b) You must not: (i) assign, transfer, sell, deal with, or create any mortgages, security, liens, or other interests in or over the Hitachi Property; or (ii) move, repair, modify or interfere in any way with the Hitachi Property without Hitachi's prior consent; or (iii) obscure or tamper with any asset tag or like identification or notification affixed to the Hitachi Property. You will indemnify, defend and hold Hitachi harmless from and against any Claims caused by any failure by You or Your Personnel to comply with this Section 9.3(a). You will provide Hitachi with immediate notice of any attachment, lien or judicial process affecting the Hitachi Property, or Hitachi's ownership of the Hitachi Property.

(c) You will provide to Hitachi and its authorized representatives reasonable access to the premises on which the Hitachi Property is located, upon Hitachi's reasonable notice, for Hitachi's inspection, verification and removal purposes.

(d) Upon the delivery of the Hitachi Property to Your custody or control and until that Hitachi Property is either returned to Hitachi or otherwise Hitachi removes it from Your custody or control, You will maintain insurance policies with reputable insurers covering loss of, and damage to the Products at least equal to the replacement cost of the Hitachi Property.

(e) To the full extent possible, You must ensure that, prior to removal by or return to Hitachi for any reason, all data is removed from all Hitachi Property. Hitachi takes no responsibility for data remaining on any Hitachi Property that is removed by or returned to Hitachi and You must defend, indemnify and hold Hitachi, its Affiliates and their respective Personnel harmless from and against any and all losses, damages, liabilities, judgments, settlements, costs and other expenses (including reasonable legal fees) that is caused directly or indirectly by Your failure to comply with this Section 9.3(e).

(d) You agree and acknowledge that, where the provision of Hitachi Property to You creates a PPS Security Interest for Hitachi: (i) that PPS Security Interest is registrable in the Personal Property Securities Registry and Hitachi may take all such steps as it considers appropriate to register, protect, perfect, record, or better secure its position in respect of this DPA under the PPS Law; and (ii) Hitachi is not obliged to give any notice or provide copies of any documents required under the PPS Law (including notice of a verification

statement), unless the obligation to give that notice or provide that document cannot be excluded. You must sign and deliver any documents, provide all information and do anything else that Hitachi requires to ensure that it has a perfected first-ranking PPS Security Interest under the PPSA.

9.4 Governing Law and Jurisdiction

(a) Except as the Parties expressly agree otherwise in writing and subject to Section 8(b), this DPA and all Supply Transactions related to the DPA will be governed and construed in accordance with the laws of the jurisdiction of New South Wales, Australia, will apply to the DPA and the venue for any litigation will be the appropriate courts in Sydney, New South Wales, Australia.

(b) To the extent allowed in the applicable jurisdiction, the United Nations Convention on Contracts for the International Sale of Goods and its implementing legislation will not apply to this DPA.

9.5 Customer Referrals

(a) Subject to Section 9.5(b), Hitachi may refer to You as a customer of Hitachi, both internally and in externally published media. You will not use Hitachi's name in any publication, advertisement, or public announcement, nor disclose the results, existence, or content of the DPA, without Hitachi's prior written consent.

(b) You grant to Hitachi and its Affiliates a worldwide, royalty-free, limited right to use Your company and brand name and/or logo in promotional materials within any medium, including press releases, presentations and customer references regarding any Supply Transactions. Hitachi agrees to obtain Your prior written approval for publicity that contains claims, quotes, endorsements or attributions by You, but Your approval cannot be unreasonably withheld.

9.6 Terms for Managing the DPA

(c) **Modifications.** Except for the Hitachi Policies and Online Terms, modifications to this DPA must be in writing signed by each Party's authorized representative. Hitachi may change the Hitachi Policies or Online Terms from time to time and post the revised version on the Hitachi Website. (d) **Conflicts.** Unless the Parties expressly agree otherwise, and to the full extent applicable to the Supply Transactions made under this DPA, if there is a conflict among the elements the DPA, the following order of precedence will apply (in descending order): (i) this DPA; (ii) the Exhibits; (iii) the Online Terms; (iv) a SOW; (v) a Quote; and (vi) an Order.

(e) **Waiver.** If either Party fails to promptly exercise any contractual right, this does not of itself mean that the right has been waived. For a waiver of a right to be valid, it must be in written form and it will not give rise to an ongoing waiver or any expectation that the right will not be enforced, unless it is expressly stated to do so.

(f) **Severability.** If any part of this DPA is held to be invalid, illegal or otherwise unenforceable, that part will be eliminated to the minimum extent necessary, so that the DPA will otherwise remain in full force and interpreted to reflect the original intent of the Parties.

(g) **Entire Agreement.** The DPA (including all terms attached hereto or incorporated by reference) is the entire agreement relating to its subject matter. All other written communications, understandings, proposals, representations and warranties are by agreement, excluded and are of no force or effect (to the extent permitted at law).

This does not restrict general advertisements of employment or the rights of any employee of one party, on that employee's own initiative, or in response to general advertisements, to seek employment from the other party and under such circumstances, for the other party to hire such employee.

(j) **Miscellaneous.** The Parties are independent contractors and there is no actual or deemed partnership, franchise, joint venture, agency, employment or other fiduciary relationship between the Parties. There are no third party beneficiaries to the DPA. The Parties may sign the DPA and any further documents made under it in counterparts, which together will form a binding agreement on the Parties and each of which may be transmitted electronically and will be effective upon the Effective Date. When an obligation falls on a day that is not a Business Day, it must be done the following Business Day. Hitachi may withhold or rescind any of its rights of approval or consent at Hitachi's sole and absolute discretion. The singular includes the plural and *vice versa*. Words referring to gender include each gender. All grammatical forms of a defined term are given a corresponding meaning. Words such as "including" are not intended to be words of limitation.
