Process to Download HDS Connector V2.0 for UCS Director Files

May 17,2016

 **Hitachi Data Systems**

Software and Documentation Download Process for HDS Connector for UCS Director

- Login to HDS Support (support.hds.com)
 - To create a login for support.hds.com, follow the instructions on the first page of the URL
- Select **Product Downloads** from the left hand menu
- On the Product Downloads page, select **Available System Drivers, Firmware and Adapters**
- Select **Cisco Adapters**
- From there, download either the first selection (ISO File) or the second selection (ZIP File) which contains all documentation and the Connector software.
