

Hitachi Data Systems NASPO Baseline Price List

As of February 1, 2016

Notes

- Some maintenance items are priced based as a % of the actual sell price of the product in the description. Those are identified with a list price of "XX% of License Price", which represents the annual maintenance cost for that product.
- Some Service / Consulting items require scoping before a price can be provided. Those are identified with a list price of "Custom Pricing".
- Prices do not include any applicable taxes
